Response to Staff Inquiries

Dear Ms. Dortch:

Cox Communications, Inc. ("Cox") has been asked to provide information concerning its service to customers in the Virginia Beach, Virginia and Providence, Rhode Island Metropolitan Statistical Areas as part of the above-referenced proceeding. Cox has attached to this letter a spreadsheet that includes a portion of the requested information for the Virginia Beach MSA. Cox continues to prepare the remainder of its response. This filing follows Cox's initial Virginia Beach data submission on November 1, 2007. At staff request, both paper and electronic versions of the chart are being provided. Due to the competitive sensitivity of the enclosed data, much of the information in the attached document has been denominated confidential or highly confidential in accordance with the First and Second Protective Orders in this proceeding. Cox is filing contemporaneously redacted and non-redacted versions of the data pursuant to the Commission's protective orders.

In accordance with the requirements of Section 1.1206 of the Commission's rules, an original and one copy of this written *ex parte* communication are being filed with the Secretary's Office on this date.

Respectfully submitted,

J.G. Harrington
Counsel to Cox Communications, Inc.
